_____ Our Club will host one Inbound student beginning January 2009 thru December 2010.

INFORMATION:

- The financial fee for a club to the District 6440 Youth Exchange program for hosting a student is **\$1,200.00** due and payable with this club commitment letter.
- A signed commitment will cause the district to make a firm commitment to CSRYE to guarantee a student assignment. By signing this form your club agrees to honor this commitment.
- Three host families are recommended during this exchange period (they need not be Rotarian families). Involved Rotarians and families will be required to submit to a criminal background check. Neither the YEO nor Club Counselor may be a host family during the year.
- We recommend that your Club Youth Exchange Officer and Club Counselor be volunteers and hold their positions for a 3-year term. The YEO manual and District Abuse Policy are available for download on our website.
- Your RYE personnel must annually attend our Youth Exchange Training Seminars (Aug. & Feb.) to be certified in learning about the process of student selection, YEO responsibilities, program guidelines, application processing, the Abuse Policy, and student/family interaction.
- Our events calendar is posted on the web site.
- Applications for Outbound exchanges departing August 2009 are due to the District Coordinator in early October 2008. Selecting a student(s) to send to District interviews in November can be an ongoing process now.
- If your club would like to learn more about the District RYE Program, please contact the Chairman to arrange for a Youth Exchange presentation.
- District 6440 is a member of Central States Rotary Youth Exchange whose goal is to assist the 17 member districts exchange students with 32 participating countries to promote international understanding, harmony, peace, and the Rotary ideals.
